

# David Murangari, School Prefect, Goromonzi, 1959

Back Row, 7th from Left

26/02/1940 - 24/02/2020

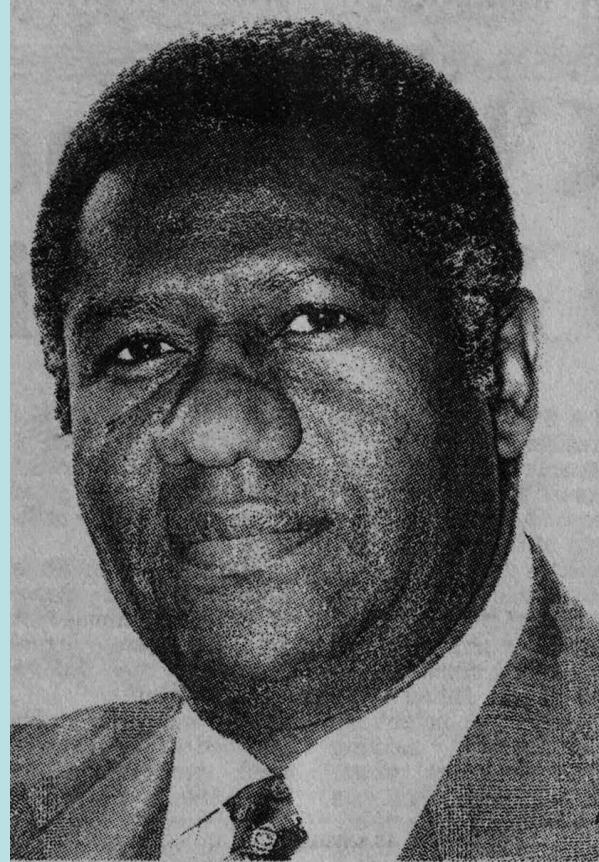

David was born in Sakubva, Mutare, the second eldest in a family of 9 children. He grew up at his family home near Mutambara, and went to school at the Mission. He attended Goromonzi Secondary School from 1954 to 1959. His BSc Degree was attained at the University of Ethiopia in Addis Ababa in 1966. He was involved in Exploration work in the Danakil and dam site investigation in Ethiopia.

# David Edgar Hoover MURANGARI

Honorary Member, Geological Society of Zimbabwe, Feb. 2011

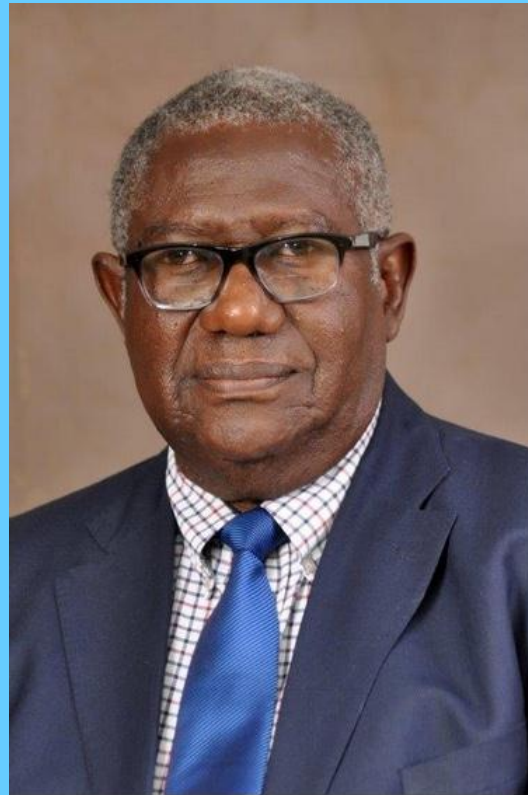

Died 24/02/2020

- He undertook mineral exploration in Utah and Colorado, USA for Cities Services Corp.
- David's MSc Degree was attained at the Colorado School of Mines, Boulder in 1976.
- Mineral exploration activities in Zambia were for Anglo American Corporation, Noranda and Minex over a period of more than 6 years.
- He returned to Zimbabwe in August 1980 and joined the Geological Survey to become Regional Geologist Harare before being appointed Deputy Director in 1983.
- David transferred to H/O in 1985 as Deputy Secretary, being appointed Secretary for Mines in 1988, a post he held until 1997.
- In March 1997 he was appointed Vice-President to Trillion Resources Ltd and Managing Director of Trillion Zimbabwe P/L.
- His appointment as CEO to the Chamber of Mines of Zimbabwe was in February 1999, a post he held until 2007.
- From May 2007 through 2013 David was Managing Director to Bindura Nickel Corporation (BNC).
- He was President of the Chamber of Mines in 2008-2009 and in 2011 was immediate Past President and made a Life Member.
- He has since been non-executive director of ASA Resources Group plc (BNC and Freda-Rebecca), and has represented the boards of the ZMDC and MMCZ as well as others.

Given David's impressive career and his continuous support for his profession and our mining industry, we were proud to welcome him as an Honorary Member into our Society in February 2011.

## Farewell David
